Persons 60 years of age or older who meet Florida residency requirements may register to audit classes on a space-available basis without payment of tuition and application fees. A grade of "X" (noncredit) will appear on the student's record when auditing a class.

Completing this registration form does not guarantee registration for the course(s). If the course a student wants to take is closed or needs departmental approval, it is the student's responsibility to contact the department in which the course is being offered to obtain the appropriate paperwork (see Senior Citizen Audit Registration brochure for additional information). It is also the student's responsibility to obtain a Fee Invoice to verify registration is complete and to resolve all registration conflicts by the last day of Late Registration.
