AUDIT REQUEST

Please use this section as a resource to plan your enrollment. Self-registration for courses is completed online at https://my.ucf.edu. For information about override availability and procedures, please contact the Registrar's Office and ask for assistance with the registration process.

Persons 60 years of age or older who meet Florida residency requirements may register to audit classes on a space-available basis without payment of tuition and application fees. A grade of "X" (noncredit) will appear on the student's record when auditing a class.

Completing this registration form does not guarantee registration for the course(s). All courses must be approved by the College/Department prior to registration. The Registrar's Office will seek approval from a Department Chair or someone designated to approve on their behalf. The student will be notified if approval has been granted or denied via email. The Registrar's Office can assist with the registration process upon request. Please submit a new audit request if you wish to make any course changes after your initial submittal.

Please list below course(s) you wish to register for:

Class Number	Alpha Prefix	Course Number	Section Number	Credit Hours	Course Title	Time	Day	Building/Room

List alternative course(s) below:

Class Number	Alpha Prefix	Course Number	Section Number	Credit Hours	Course Title	Time	Day	Building/Room

I understand that this application is for auditing a course(s) during the term indicated in the Courses to be Audited box. I certify that the above is correct and complete and that falsifying or withholding information may result in disciplinary action. I agree to abide by the policies of the Florida Board of Regents and the rules and regulations of this university. Florida law provides that public agencies, including the University of Central Florida (UCF), must notify individuals of the circumstances that would require the collection of social security numbers. UCF will collect social security numbers for use in student admissions and enrollment and included as part of the student's demographic record, including to coordinate transition across educational institutions.
